Memorial Day

Memorial Day is a United States federal holiday observed on the last Monday of May every year. Formerly known as Decoration Day, it commemorates U.S. soldiers who died in combat while serving in the military; first enacted to honor union soldiers of the American Civil War. Memorial Day was extended after World War I to honor Americans who have died in all wars. Memorial Day often marks the start of summer vacation season. **The leasing office will be closed on Monday, May 28th in observance of Memorial Day.**
