Pool Splash Bash

It's that time of the year again! AMLI at Milton Park wants to start the summer right and what better way to do so than by throwing a huge pool party! This is our annual pool party and we are excited to get the summer party started. Last years pool party was such a success and we hope that you all will come out and join us again this year. On **Saturday, May 19th from 12:30-3:30pm** we will be out at the pool enjoying the summer kick-off! We will have a professional DJ in addition to a yummy Mexican inspired feast with quesadillas, burritos, and much, much more! We can't wait to see you there!

Office Closing

Our office will be closed on **Monday, May 28th** in observance of Memorial Day. Should you have a maintenance emergency please call 678.867.7272 to contact a member of our service team. Our office will resume normal business hours on **Tuesday, May 29th**. Have a safe Memorial Day!

22nd Annual Taste Of Alpharetta

For the largest "Taste of" festival in the South, dining at over 50 restaurants in one unforgettable night has become an annual tradition for 50,000 families, foodies and festival-goers for 22 years! Sample delicious appetizers, entrees and desserts for five hours on **Thursday, May 10, 2012 at 5:00 PM**

With the Taste of Alpharetta moving back to the historic downtown streets, our music stage will have current retro-themed bands. A separate Culinary Stage will pair top area chefs against one another in contests. Party with metro Atlanta radio stations, play at the Fun Zones, and come out and enjoy Alpharetta's premier dining experience!

Free admission, shuttles and parking.

Container Gardening On Your Balcony

One of the easiest ways to use containers is in decorating outdoor living areas. Pots, hanging baskets and planters are wonderful additions to areas where your family chooses to congregate. These mini gardens add interest and intrigue with their stunning colors, verdant foliage and heady scents. Nothing makes a seating area more inviting than a display of lovely potted plants. We look forward to seeing all of your beautiful balconies over the summer months!
