Spring Forward

Then in 1907, Englishman William Willett advocated Daylight Saving Time in the pamphlet, "Waste of Daylight" where he wrote: *"Everyone appreciates the long, light evenings. Everyone laments their shortage as autumn approaches; and everyone has given utterance to regret that the clear, bright light of an early morning during spring and summer months is so seldom seen or used."*

The History of St. Patrick's Day

St. Patrick's is celebrated on **March 17th**, the saint's religious feast day and the anniversary of his death in the 5th century. The Irish have reserved this day as a religious holiday for over 1,000 years. On St. Patrick's Day, which falls during the Christian season of Lent, Irish families would traditionally attend church in the morning and then celebrate in the afternoon. Lenten prohibitions against the consumption of meat were waived and the people would dance, drink, and feast on the traditional meal of Irish bacon and cabbage.

Karaoke Night

Are you the next Adele, Taylor Swift, Katy Perry, Tim McGraw, or maybe even Beyonce, Maroon 5, Lady Antebellum, and Bruno Mars? Well, if you sound a little like the people above, or NOT AT ALL, then come out to Cheeseburger in Paradise on **Friday, March 23rd from 8:30-11pm** to show off your talents. The AMLI Team would love to have a blast with our residents. You can sing your favorite tunes and cheer on your fellow neighbors. Please RSVP by calling or emailing the office by **March 20th**. As you know the more people that come the funnier it will be!
