Don't Miss Breakfast On-The-Go!

Hungry in the morning? Too busy to make yourself a healthy breakfast? On **Wednesday, March 14th, beginning around 7:00 A.M.**, drive-by the maintenance guys and the leasing gals and grab a breakfast prepared especially for you! This time around we will be accepting donations for **The LUNgevity Foundation!** The mission of the **LUNgevity Foundation** is to have a meaningful and immediate impact on improving lung cancer survival rates, ensure a higher quality of life for lung cancer patients, and provide a community for those impacted by lung cancer! Five dollars, two dollars or one dollar; anything you can give will be greatly appreciated!

Resident Referrals

Are you new to the AMLI FAMILI? If so, how did you hear about us? Through the grapevine maybe? Well, you're not alone! Many of our new residents were referred to us by other residents, but did you know that by referring an acquaintance or associate you can put some extra money in your pockets? All you have to do is spread the word about AMLI at Seven Bridges! If you have a friend or coworker who is looking for an apartment you can make **\$300.00** if they lease with us for a period of 9 months or more! Just make sure they put your name on the application and we will cut you a check after they move in! Up to a grand total of **\$900.00** per year! For more information about the easiest money you'll ever make please speak with one of our friendly, AMLI staff!

Update Your Info

While we know where you live, we also need to know what you drive! Our residents are our first concern and our main priority. The goal when it comes to parking is to make sure you have convenient, accessible parking available. Traditionally, when we are entering the spring season we see an up tick in the number of vehicles parked on the property. It is imperative that you make sure all of your vehicles are properly registered with the leasing office. The AMLI stickers let us know who to contact should an issue arise. If we see an improperly parked car or truck that does not have an AMLI sticker, **it will be towed at the owner's expense.** If you will be having guests, visitor parking is located behind buildings 6520 and 6450. For visiting relatives or friends who will be staying for more than 24 hours, please contact the office so we can provide you with a guest pass. Our property monitors will be walking both the garages and the outdoor parking areas to make sure that the lots are being properly used. Parking is reserved for our residents and we want to make sure that your vehicles have priority over all others!

Upcoming Projects

As we head into the spring and summer of 2012 we will be continuing in our efforts to make Seven Bridges sparkle and shine! Beginning soon we will be deep cleaning the garages in an effort to remove the dirt, grime and general debris that built up over the winter. We will also be patching, seal coating and striping all of the garages and outdoor parking areas. Beginning sometime in April will be the **Hug-A-Building** preventative maintenance work! We will be entering each and every apartment to replace H.V.A.C. filters, check windows and doors, and inspect the plumbing and fixtures. All of these things and more are being done so we can continue to provide an outstanding living environment for our residents! We truly wish for each and every one of you to be proud of and love where you live!
